HONORING FREEDOM GOLF TOURNAMENT

An event benefiting the Wounded Warrior Project

8:30am Shotgun Start | 1:30pm Lunch and Awards

What is the Wounded Warrior Project?

The Wounded Warrior Project is transforming the way America's injured veterans are empowered, employed, and engaged in our communities through free programs and services. WWP provides free mental health and wellness, physical health and wellness, career and benefits counseling, and support for injured veterans, their families and caregivers. The demand for programs and services has grown from serving a handful of injured veterans to now serving tens of thousands, and WWP continues to receive hundreds of new registrations from injured veterans, their families, and caregivers each month.
